Propose!

You are not required to have your proposed major in myUCSC listed as Network and Digital Technology in order to declare the major. However, it is recommended.

**Being a proposed major allows students to:**
- be connected to advising
- receive important communications
- gain access to enrolling in some major courses that may be restricted to proposed majors.

**To change your proposed major to a School of Engineering major:**
Please visit http://tinyurl.com/proposedbsoe

Qualify!

Complete **36 credits** of major qualification coursework (listed below) no later than the end of your **5th quarter** at UCSC to declare.

- **Major Qualification Courses:**
  - MATH 19A
  - MATH 19B
  - AM 30 or MATH 23A
  - AM 10 or MATH 21
  - AM 20 or MATH 24
  - CSE 12/L
  - CSE 13S or CSE 13E
  - CSE 16
  - CSE 30
  - PHYS 5A/L or PHYS 6A/L
  - PHYS 5C/N or PHYS 6C/N

Earn at least a **2.3 GPA** in the major qualification courses. That’s a C+ average!

**Make sure to take all classes you are using for major requirements for a letter grade!**

Declare!

Declare your major no later than your **6th quarter** at UCSC.

- Visit https://undergrad.soe.ucsc.edu/declare-your-major to see the steps to the major declaration process.

**Baskin School of Engineering declaration processes require an early start!** Be sure to visit the website and start the declaration process within the **first 2 weeks** of the quarter you are declaring! **Don’t wait for the deadline!**
