Prepare to Declare Biotechnology

Propose

You are not required to have your proposed major in MyUCSC listed as Biotechnology in order to declare the major. However, it is recommended.

Being a proposed major allows students to:
* be connected to advising
* receive important communications
* gain access to enrolling in some major courses that may be restricted to proposed majors.

To change your proposed major to a Baskin Engineering major please visit: http://tinyurl.com/m8j3u7w

Qualify

Complete 4 of the major qualification courses listed below no later than the end of your 5th quarter at UCSC to declare.

**Major Qualification Courses:**
- CHEM 1A, Chem 3A, or Chem 4A
- BIOL 20A
- BME 5
- BME 18
- BME 80G OR PHIL 80G
- BME 80H
- CSE 20
- ECE 80B
- STAT 5 OR STAT 7/L

Make sure to take all classes you are using for major requirements for a letter grade!

Declare

Declare your major no later than your 6th quarter at UCSC.

- Visit https://undergrad.soe.ucsc.edu/currentstudents/declare-your-major to see the steps to the major declaration process.

The Baskin Engineering declaration process requires an early start! Be sure to visit the website and start the declaration process within the first 2 weeks of the quarter you are declaring! *Don’t wait for the deadline!*

undergrad.soe.ucsc.edu * bsoeadvising@ucsc.edu * 9/5/2023

These major qualification requirements are intended for students entering UCSC as a first-time frosh student in 2023-24. Students admitted to UCSC as a transfer student must be admitted to the major at the time of admission to UCSC.
