ANNOUNCEMENT

Fifth Annual

Ira and Kate Pohl Endowed Scholarship

$1000 Award

For Jack Baskin School of Engineering
Computer Science Undergraduates

The award is given to an undergraduate student committed to science and society.

Application Information

Eligibility: Any student of the Baskin School of Engineering Computer Science Degree.

Entry: Students submit a personal written statement that describes evidence of qualification beyond their academic record supporting their accomplishments in using computer science to better the community or society. The student must be proposed or declared Computer Science with commitment to fulfilling that degree. Preference will be given to students demonstrating financial need.

Deadline: Applications and Essays must be submitted online: https://ua.soe.ucsc.edu/irakatepohl no later than April 12, 2019.

This Prize is typically awarded to a single student; however, in the event that more than one candidate is selected, the $1000 prize would be shared by those individuals.

The Ira and Kate Pohl Endowed Scholarship will be awarded to an undergraduate student committed to science and society. Prospective recipients will submit a statement of purpose with description of their experience (or plan) contributing to scientific knowledge and serving the society, including community service and leadership activities. The recipient must be a proposed or declared computer science major and demonstrate intent to complete the degree. Preference will be given to applicants demonstrating a financial need. The recipient will be chosen by an ad-hoc committee of Baskin School of Engineering faculty and/or staff.
