CALLING ALL WOMEN IN STEM

Data Science Hackathon

About
We invite all technologists to join us at UCSC’s first all female hackathon — designed for participants to collaboratively build creative solutions for current challenges in medicine and healthcare. This hackathon is by invitation only. Send an application to be considered for the main event!

Prizes
Full scholarship to attend the Grace Hopper Conference, the world’s largest conference for women in computing

Eligibility
- Enrolled full time in an undergraduate or graduate program at UCSC
- Major: Computer Science or STEM field
- Priority will be given to women & underrepresented students

Sponsor
Narges Norouzi
nanorouz@ucsc.edu

Application deadline: April 15th
Apply at: bit.ly/ucscdatahacks
Final hackathon report: May 17th
